# A TASTE OF VINYL

She Loves The Smell And  
Feel Of Vinyl In The  
Morning—And So  
Does Her Lover!

"Vinyl fetish" is a term you've probably heard many times before. Vinyl has a sensuous quality, whether it's an old LP record or a faux-leather clothing outfit, that makes you want to run your fingers over it. Vinyl stimulates a couple of the senses at the same time. Vanessa likes its new smell and the way it feels on her body. Victor, on the other hand, loves how it looks on her. Just the way the vinyl boots set off her long legs alone is enough to bring him to full arousal, and everything else is icing on the cake. So when Vanessa comes into the room where Victor's sitting, the two of them don't need foreplay. The vinyl has already done that for them.

Victor can't stop himself from ravishing his black-vinyl princess. As he licks her pussy he can feel the top of her boots against the side of his face, which only makes him want to fuck her pussy that much harder. But Vanessa has designs of her own on Victor's cock. Stimulated by her black vinyl, she hungrily takes his cock into her mouth and sucks on it furiously, trying to swallow as much of it into her throat as she can. The tears welling into her eyes are not just from her gag reflex but also from the joy of sucking him off.

As you gaze at Vanessa's beautiful face to the left of these words, try to imagine what it must be like to have her sucking on your cock instead of Victor's. Sinking those sweet lips down the length of your throbbing, red shaft instead of his. Moaning for you instead of him. And then, finally, when you can't stand the moist heat of her mouth and the pure joy anymore, imagine what it must feel like to have Vanessa suck you even harder and pump her face even faster and moan even louder as you begin to shoot your jizz deep into her throat!

## SEX SECRET REVEALED!

# HOLY SHIT! 3 Times in One Night?!

“His cock was so completely HARD & BIG. And his staying power was INSANE.”

## SECRET “Sex Serum” Exposed!

*Are you the type of guy that women brag about - THAT “One Guy”, the one that “rocked her world”? Now be honest, is that guy you? If not, I may have the secret answer that’s been apparently keeping the “industry” guys at the top of their game for years. Check out this letter I received (from a chick none the less).*

**To the Editor:** I don’t usually write into magazines (especially mags like this), but after uncovering this amazing secret, I just had to blow the whistle on this stud. I know every girl says this, but I’ve only been with a handful (ok, maybe two handfuls) of guys sexually. And to be honest, a one night stand is a pretty rare occasion for me. But after partying with this guy for a couple of hours and grinding up against him I just had to get a glimpse at what this guy was packing.

Well, after heading back to his place, let’s just say it got a little crazy. He made all the right moves and the sex that followed may have actually destroyed it for every other man! His cock was so completely hard and BIG. And his staying power was insane. Holy shit! I must have had 5 or 6 orgasms after being ravaged 3 times in one night. Now I’ve been with a couple of guys that performed well in the past. I know one of them was using Viagra, and the other a topical called Maxoderm (which also works pretty well). But hands down this guy was the “champ”, I mean he performed sexually like a pro! So between the size of this guy’s unit and the fact that he pounded me for nearly 4 hours, I just had to ask what this super stud was using to rock my world.

Well, after bribing him with some return “favors” he finally fessed up. Surprisingly enough, it was also a topical (like Maxoderm, but better). He referred to it as his “secret sexual serum”, better known as **PROMAGNUS**. And, get this, my super stud also owned up to being an adult film star!! He claims that he’d never be able to perform at his job without the help of **PROMAGNUS** and that it maximized size while helping him to “recover” faster and do it more often (I’ll say!). He even said that ALL male stars he knew in the industry use it – “What do you think, we have the super human ability to fuck like that naturally?”

So next time you think that these “super” studs are plugging away on screen with little or no help THINK AGAIN! They obviously need help like everyone else. So now the secret is out of the bag! I recommend **PROMAGNUS** to any man looking to perform like a porn star. I know that I’ll never let any man that I’m with have sex without it again.

*Alexa – from Vegas*

# A HARD PRICK FOR PENNY

This Is One Girl Who Can  
Never Get It Too Hard Or  
Too Thick—Even If She  
Has To Help It Along!

Penny's one of those aggressive girls who knows exactly what she wants and is willing to do whatever it takes to get it. And the one thing she craves above all else is a hard cock plowing into her pussy like a freight train. She won't settle for anything less, which is why she throws some guys out the door and never invites a lot of other guys back. For one, she's been spoiled by her vibrators, because they never let up. They don't flag when the going gets tough, and they don't come too soon and go flaccid. So if Penny invites you back to her bedroom, you'd better be almost superhuman—and ready for a workout!

Don't let Penny's obsessive need for a super-hard cock put you off or intimidate you. She'll do everything in her arsenal of tricks to get you up, get you raging hard, and keep you that way. For one, she loves to suck cock, and when she gets you into her mouth she'll swallow you into her throat, and if that doesn't work you to full erection, what will? Then she'll take out her peter pump to plump you up to full thickness. Once she's got you there, it's all up to you.

When it's all over, if you've managed to achieve full, rock-hard erection and keep it going, you'll have to agree that sex with Penny is more than worth it. Sure, Penny's a real ball-buster for mere mortal men, but you can handle it. And once she's fattened your cock as fat as it can go and she's got your heart pumping like crazy, you know that when you finally explode, it's going to be the greatest orgasm you've ever had. You may never want to go back for seconds, but you'll know you've been to the mountaintop. You've passed Penny's test!

McKenzie Lee is one of those girls—gorgeous, erotic and hot! The beautiful Brit got her start across the pond and fame as the hostess of a risqué cable television show that features adult stars, and because of this, she's a household name over there. # CARNAL CAMERA

It's lucky for him (and us) that our roving photographer keeps his trusty camera with him at all times, ready for action, with a swing of his bag off his shoulder and a simple pop of the lens cap. On this particular afternoon he was stopping over to his buddy George's house to talk about an upcoming fashion shoot for a popular jeans company. George lives in a small bungalow on a quiet, leafy street in Burbank. Our hero knocked on the door and rang the bell a few times, but there was no response. On a hunch he went around the side of the house to the tiny, bamboo-shielded yard in back where George liked to barbecue. Opening the gate, he froze in his tracks. George was making out with a shapely blonde in a red dress.

*Our roving photographer quietly swung his camera off his shoulder and popped off his lens cap. The half-naked blonde was unaware of his presence!*

The young blonde wrestled George's cock from the confines of his tight jeans. As it swung free, she caught it in her fingers and slipped the purple head between her lips. It was at that moment that George noticed our roving photog standing at the gate, raising his camera to his eye. George's lips curled into a smile as he lowered his eyes to the girl sucking his cock.

***She swallowed George's cock, bobbing her head up and down as she sucked on it hard, and our roving photographer started clicking off shots!***

The cute blonde was furiously fucking George when he whispered something into her ear. Her eyes widened in surprise, then she glanced around for a moment. As she fixed on our photographer, she laughed out loud, but her hips never lost their rhythm. Just as quickly, the girl lost interest in our photographer and returned her attention to George's cock. But there was no mistaking the fact that she was now getting into it even more. When she went back to sucking some more on his cock, she'd turn her head just a little now and then to make sure our boy was still there by the gate, focusing his camera and clicking away. She was sucking harder now, her cheeks hollowing. Isn't it strange how these chicks turn into little sluts as soon as a camera zooms in on them? And when George's moans signaled his coming orgasm, she grabbed his cock and directed the cumshot on her face like a veteran porn star.

***O**ur photographer ran out of film just as George's cum splattered on her face. Sorry, guys, but the poor man got carried away and finished too soon!*

# Where Are They Now

**Article & photos by Dirty Bob.**

**T**he age-old question of “Where are they now?” is one of the most enduring, albeit frankly nosy, queries uttered by those old enough to actually remember and appreciate porn stars of long ago. Quite honestly, a lot of them don’t want to be found or remembered.

A “legend” in porn to a fan in their twenties could be a performer who hit their stride in popularity within the past 10-15 years—while an older viewer may consider a “legend” to have been popular way back three to four decades ago. Apples and oranges.

The general consensus is that the Golden Age of Porn would have to be from the early 1970’s through the mid 1980’s. This was the breakout period when material became more readily available—and more explicit. Gasp! Adult films on the big screen? You betcha! It was also the era which brought to light the talents of superstars like Ron Jeremy, Seka, Vanessa Del Rio, Andrea True, and literally hundreds of other memorable big-screen fuckers.

A second question of what qualifies an adult performer to reach the ranks of a “legend” depends on what entity proclaims them to be at this acclaimed elevated position in the biz. AVN (*Adult Video News*) has their own Hall of Fame. This is also true of the XRCO (X Rated Critics Organization). Likewise, many publications issue their own list.

Even video stores got into the act: ShowGirl Video, located on the main drag in Las Vegas, between downtown

Vegas and the Strip, has taken it further—and theirs is one of the most prestigious fan-friendly inductions. It is actually their “Wall of Fame” and they refer to it as the “Legends of Erotica.” This once a year event, which takes place in early January, is the scene where stars sign and date squares of cement for the wall and, more often than not, add their own personal touches to their square, like impressions of their hands, breasts, butts, and other sexy body parts.

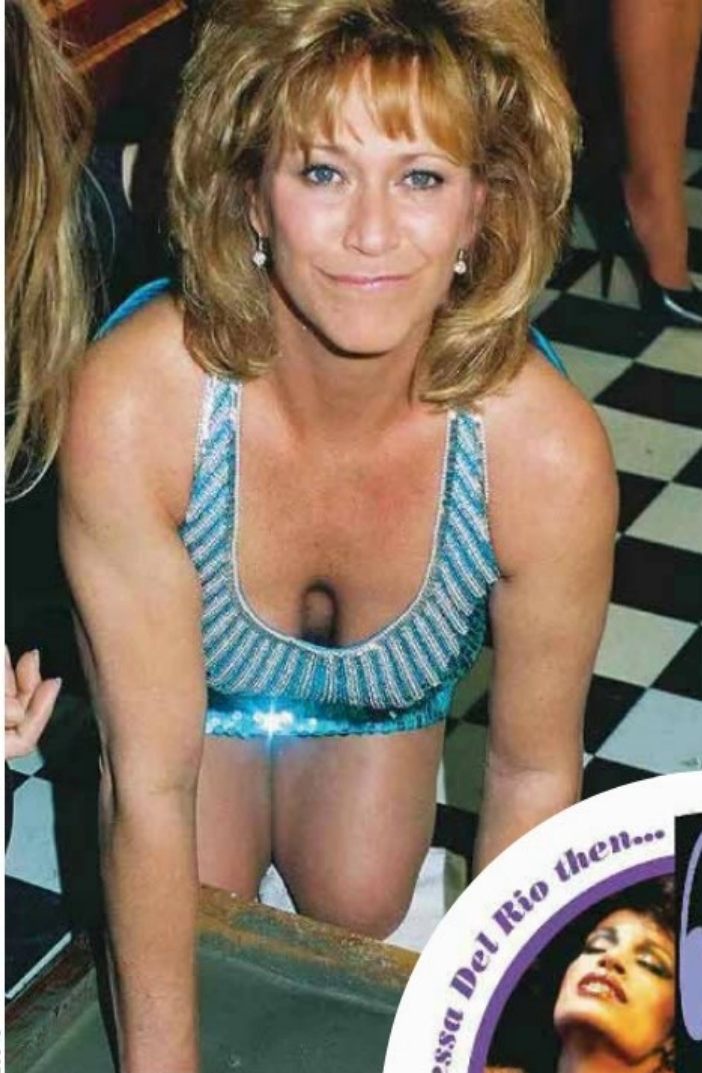

ShowGirl Video owners Ray Pistol and Bill Margold put on this fan favorite event. Pistol, who also owns Arrow Film and Video, is well-versed in porn history. One of the titles his company owns is *Deep Throat*. Margold is the “Historian Emeritus” of the XRCO and the driving force behind many adult events intended to honor the pioneers in porn.

The star of *Deep Throat*, Linda Lovelace, has passed on to that great adult video screening room in the sky. But what of some of the other stars from porn’s golden age?

Annie Sprinkle, often called “the golden girl of porn,” was in a class all by herself. Her 1981 release, *Deep Inside Annie Sprinkle*, is today considered a cult classic—but her credits go all the way back to 1974’s *Seduction*, which also featured Andrea True and Jamie Gillis. Today, Sprinkle has a degree from the Institute of Human Sexuality in San Francisco and can best be referred to as a Sexual Educator. Her co-star in *Seduction*, Gillis, resides in New York City, where he is often recognized and simply known as a man about town.

**‘Marilyn Chambers, best known as the star of 1972’s *Behind the Green Door*, actually had her first appearance in the mainstream movie *The Owl and the Pussycat*, starring Barbra Streisand, George Segal and Robert Kline.’**

Kay Parker, who retired in 1987, made over 80 films and was best known for 1975’s *Taboo*. A busty class act, Parker is now in her early 60’s and is into holistic healing and transcendental meditation in southern California. She is well known for her ongoing lecture series titled “The Marriage of Sexuality and Spirituality.”

One of Parker’s co-stars was the incredible Seka. Her debut in 1978’s *Blonde Fire* led to tongue-in-cheek parody titles like *Carnal Encounters of the Barest Kind*, *Dracula Sucks*, *Wine Me, Dine Me*, *69 Me*, and an incredible number of Swedish Erotica shorts. Although she officially retired and disappeared from the business in the 1990’s, this Virginia-born babe resurfaced to sign at a booth at the 2005 AVN Expo in Las Vegas to promote media for John Holmes’ widow, Laurie Holmes. Previous to this appearance, Seka was relatively incognito and worked in Chicago as a waitress and called herself Dottie. She is currently residing in Texas and was recently the subject of a DVD documentary, *Desperately Seeking Seka* ([www.disinfo.com](http://www.disinfo.com)).

Uschi Digard is a fine example of someone who wants to put her porn past behind her and stay out of the public eye. Considered one of the biggest (44-25-35) and most popular men’s magazine models in the 1960’s and 1970’s, she started out as a translator (she speaks nine languages) and did more than her share of softcore and tease shorts. Digard was known for roles like “Chesty Anderson” and her appearance in Russ Meyer’s *Beneath the Valley of the*

*Ultravixens* and other titles from Meyer. She is said to currently spend her time between Palm Springs and North Hollywood. Interestingly enough, Uschi Digard used as many as 60 pseudonyms during her career, but her massive breasts were almost always recognized by her many, many fans.

Georgina Spelvin gained her sexual notoriety in 1973’s *The Devil in Miss Jones* and continued with almost 80 titles with creative names like *Tarz and Jane* and *Boy and Cheetah*, *The Russians Are Coming* and *Fantasy in Blue*. Born in January of 1936, she started out relatively late in life in the adult industry. Trivia: Georgina Spelvin is also the theatrical pseudonym used by actresses who wish to remain anonymous. She retired in 1982 at age 47. Spelvin recently made a guest appearance in Vivid’s remake of *The Devil in Miss Jones* and continues to keep in touch with people in the industry.

The first time I met Miss Sharon Mitchell was in the early 1990’s at the adult convention in Vegas. Accompanying a photographer in the business, we stopped at her room where she walked around, naked, and totally unassuming. This prolific performer with a slender figure, began in the mid-1970’s in films like *Lisa Meets Mr. Big*, and made over 400 movies before leaving the screen in favor of earning a Ph.D. from the Institute for the Advanced Study of Human Sexuality. She currently runs AIM (Adult Industry Medical)—a medical facility instrumental in conducting regular tests designed primarily to help keep adult performers aware of and free of sexually transmitted diseases—in Los Angeles.

Vanessa Del Rio infused Latin (Puerto Rican and Cuban) blood into over 200 films like *Gulp* in 1975 and 1979's *Babylon Pink*. She played herself in February 1996 in an episode of "NYPD Blue" titled "Head Case." After a signing appearance at the 1997 East Coast Video Show in Atlantic City, Del Rio somewhat retreated from the public, resides in Brooklyn, and is now her own web-master at [www.vanessadelrio.com](http://www.vanessadelrio.com).

Nina Hartley started out towards the end of porn's Golden Age, and her first appearance was in the early 1980's. Aside from her incredible performances, she is well-known for her advocating the swinging and safe sex lifestyle. She is also a fan of parody titles and appeared in *Barbara the Barbarian*, *Friday the 13th: A Nude Beginning*, *Blazing Bedrooms*, and really hit her early peak in popularity in *Debbie Duz Dishes III*. Today Hartley is still going strong in the jiz biz.

Back around 1979, Indianapolis native Hyapatia Lee upset the favorites and won the Ms. Nude Galaxy Contest in Roselawn, Indiana at the annual Nudes-A-Poppin' event. This unknown then came back and won it again in 1980. After a few years of feature dancing, she finally made her first of over 50 films, including the acclaimed *The Masseuse*, *Heavenly Hyapatia*, and others. When she finally retired in the mid-1990's, Hyapatia Lee took the drastic step of spreading the false rumor that she had died. Today she is totally removed from the business and said to be living in the Midwest.

Marilyn Chambers, best known as the girl on the Ivory Soap box cover and the star of 1972's *Behind the Green Door*, actually had her first appearance in the mainstream movie *The Owl and the Pussycat*, starring Barbra Streisand, George Segal and Robert Kline. Since then, she has appeared in 50 or so films, was inducted in cement in 1997 at ShowGirl Video and, as Bill Margold fondly refers to her as "...the queen of collector shows." She makes numerous paid personal appearances at conventions.

Lee Carroll, a sweet woman with a rough exterior, has many fans who still appreciate her early appearances in 1980's *American Pie* and *Skintight*, and the following year's *The Satisfiers of Alpha Blue*. She continued to work over the next decade and now resides in West Virginia.

Frances "Kitten" Natividad came into this writer's life back in the mid-1970's when, while feature dancing at The Todd Theatre in Dayton, Ohio, she contacted me to take some nude photos.

Kitten, born way back in 1948, became a favorite of big bust mogul Russ Meyer and her massive mammaries were showcased in 1979's *Beneath the Valley of the Ultra Vixens*, an uncredited appearance in the mainstream comedy *Airplane*, and numerous adult titles and shorts. Additional breast enhancements brought her from superbust to mammoth in her later appearances in film and dancing. She has since tamed and sized down a bit, and can often be seen in the L.A. area.

Ginger Lynn was the object of 2002's "The E! True Hollywood Story," where her life was chronicled from start to present and revealed her mainstream and porn life and loves in detail. Lynn has also been strong on television and often plays herself on "The Man Show," "The Howard Stern Show," and others. Health problems have curtailed some of her recent appearances and activities, and currently she says she is in remission. As always, she maximizes her celebrity status.

Sad to say, many adult video personalities from porn's Golden Age are no longer alive. A few of the big names that will be missed include Linda Lovelace, John C. Holmes, Rene Bond, and too many others. Here are some snapshot titbits of a few others.

Juliet "Aunt Peg" Anderson lives in San Francisco as a Sex Educator. Candida Royalle directs for Adam & Eve. Gloria Leonard is retired in Florida and working on her memoirs. Justice Howard is still a world-famous photographer. Rhonda Jo Petty is working on "Classic Exotic Stars" to honor retired adult performers. Eric Edwards is in poor health. Annette Haven is comfortably retired. Shanna McCullough is married to director Jay Shanahan and still helps with production. And Amber Lynn plans to soon begin Law School.

A search is on for information regarding a few "lost" celebs from this era. Bill Margold ([bmargold@aol.com](mailto:bmargold@aol.com)) is putting together a "Legends of Erotica Playing Card Deck" to honor these performers. Feel free to contact him if anyone has current information about these performers: Leslie Bovee, Desiree Cousteau, Barbara Dare, Lisa DeLeeuw, Debi Diamond, Jessie St. James, Constance Money, Viper, and Serena. ♣
